

**Following activities were organised in Hansraj College during the academic year 2020-21 for inculcating values for being responsible citizens as reflected in the Constitution of India:**

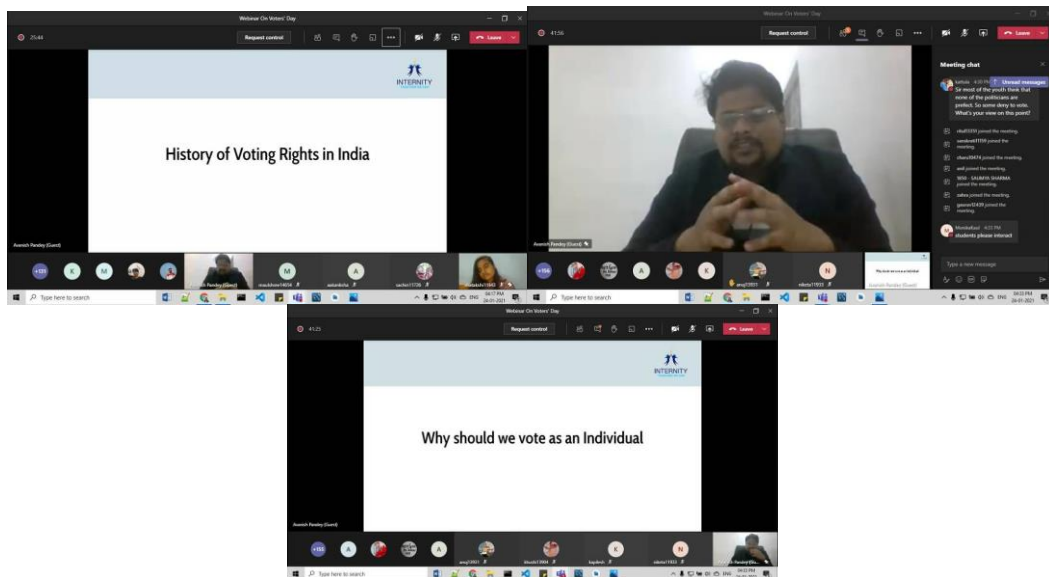

**Movie Screening: Subhash Chandra Bose: The Forgotten Hero (23rd January, 2021)**

On the 125th birth anniversary of Netaji Subhas Chandra Bose, we at NSS Hansraj conducted a remote screening of the movie, 'Subhas Chandra Bose: The Forgotten Hero'. He chose thorns over the bed of roses and dedicated his life to the country. This inspirational life depicted in the movie, evoked patriotism in the viewers. More than 75 volunteers joined and took the lessons from his life with great interest. The event was a success in inculcating in everyone the virtues that Netaji believed in.

**Webinar on Voters day (24th January, 2021)**

We at NSS Hansraj, organised a webinar on 24 January 2021, on the importance of our fundamental right to vote, on the account of National Voters' Day. Over 150 students witnessed the amazing session by our guest speaker, Mr. Avanish Pandey who is the Lead Community Manager at Internity Foundation. He enlightened the audience about exercising our right to vote and stake the nation on the right path. This invigorating session made the audience aware about their rights and duties as voters towards the Nation.

**Incredible India Competition (24th January, 2021)**

To honour the sacrifice of those martyrs who made the dream of one India true, we at NSS Hansraj organised a two staged online competition named 'Incredible India'. More than 50 participants captured something which makes their city/region unique and special, in a photograph or a painting, and submitted along with a short fun description of that place. 20 participants made it to the second stage, and had to present their entry in a bewitching manner via Google meet on 26th January, 2021.

### **Offline Republic Day Celebration (25th January, 2021)**

With overflowing joy, we at NSS Hansraj in collaboration with NCC and ECA societies, celebrated the 72nd Republic Day on 25th January, 2021. The National Flag was hoisted in Hansraj College, followed by the words of wisdom, by our honorable Principal, Dr. Rama and our esteemed chief guests. The Indian Flag in College made Delhi University the first public university in the country to get a monumental flagpole. The flag hoisting filled the air with patriotism and social responsibility.

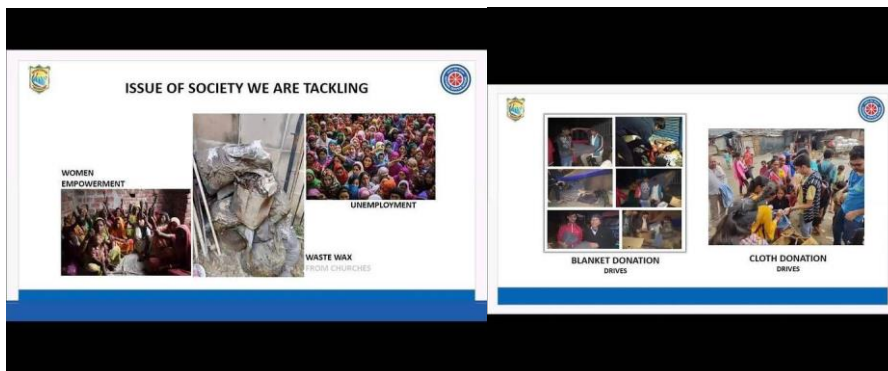

**Republic Day celebration with Yamuna Khadar kids:**

Children are a nation's most potent source of progress and cultural preservation. NSS Hansraj organised an online session on 24 January 2021 at Yamuna Khadar. It encompassed the theme of Republic Day and its importance. Our volunteers spent jovial time with the children, educating them about the Indian Constitution and talked about the sacrifices of our forefathers, encouraging them to dream high. We thank all the participants for igniting the feeling of belongingness and pride among the future leaders.

**Ideas Discussion Session on how we as students can contribute to making India self reliant:**

We at NSS Hansraj conducted an Ideas Discussion Session on 30th November 2020 on the topic - how we as students can contribute to making India self reliant. Our 55 NSS volunteers participated in this great event. This session observed thought provoking opinions from all the volunteers and sensitized everyone about their duties and responsibilities and the ways we can contribute to help India achieve its goal of self-reliance.

### Pledge on Vigilance Awareness Week:

NSS Hansraj observed the Vigilance Awareness Week 2020 with the theme Vigilant India, Prosperous India to inform people about its importance. The Government of India awarded certificates to participants actively taking a pledge on curbing corruption. A play with the theme of UAPA by Shunya, Dramatics society of Ramjas College highlighted the media's role in scrutinizing corruption. Lastly, a quiz was conducted with vigilance week facts. ### Pledge on Rashtriya Ekta Diwas:

Since 2014, 31st October is celebrated as RASHTRIYA EKTA DIWAS to commemorate the birth anniversary of Sardar Vallabhbhai Patel. On his 145th birth anniversary, NSS Hansraj took a pledge for the unity and integrity of India. More than 70 volunteers actively participated and were issued certificates by the Government of India. The volunteers pledged for the peaceful unification of our country.

Sensitization of students of the society to the constitutional obligations of values, rights, duties and responsibilities of citizens was considered through various projects that Enactus Hansraj operates.

**AHSAAS-** Bridging the education divide by providing digital literacy to under privileged children while supporting Differently Abled. To destigmatize the disabled individuals, the project ensures work inclusion and financial aid by marketing and selling the products made by them. This fosters a sense of equality in the specially abled along with fulfilling our responsibility as citizens of India. The project stands on the values of ending discrimination against the differently abled by ensuring that they get access to equal opportunity like others. Another part is procuring e-rickshaws to be run by these people for felbry services. All things combined, the project wants to make equality a reality for that strata.

**ARMAAN** - Empowering drug addicts by creating awareness about the increasing problem of drug addiction and abuse in India. The project offers a bunch of de-addiction services and mental health workshops, only a click away - through an online portal. The online portal aims to provide various skills and facilities for the drug addicts to recover. Various renowned professionals and doctors have associated with the portal to provide their services at nominal rates. Realising the often neglected problem of drug addiction, the project has partnered with many NGOs to provide employment opportunities to the recovering addicts.

**VRIDDHI** - Preventing the menace of stubble burning by utilizing stubble to cultivate mushrooms, produce handicrafts and construct washrooms while also empowering the women entrepreneurs, farmers and slum communities. The project aims to tackle the problem of climate change, as burning stubble causes large scale pollution. It aims to provide an additional source of livelihood to the deprived and show them a better way of life. Addressing the menace of climate catastrophe, the project is also trying to reduce indoor air pollution by generating biogas from stubble.

**Women safety and security(WDC):** In the webinar, SBS Tyagi, retired IPS officer and also the speaker of the webinar mentioned how the political will can play a great role in the process of protection of women and girls and that decision making and policy making power should be given so that concerns can be rightly addressed. He also mentioned that having a holistic approach and engaging in social dialogue can bridge gaps between any loopholes. He made us aware about various programs has been launched by the government to protect women from sexual harassment, domestic violence, etc.

**Bias, stigma and discrimination at workplace(WDC):** We discussed the problems that women go through at workplace on a daily basis, POSH, the acts and laws related to that. The loopholes and how

we can overcome this problem and how to make an inclusive workplace. More than 100 people and women from different sectors joined the webinar.

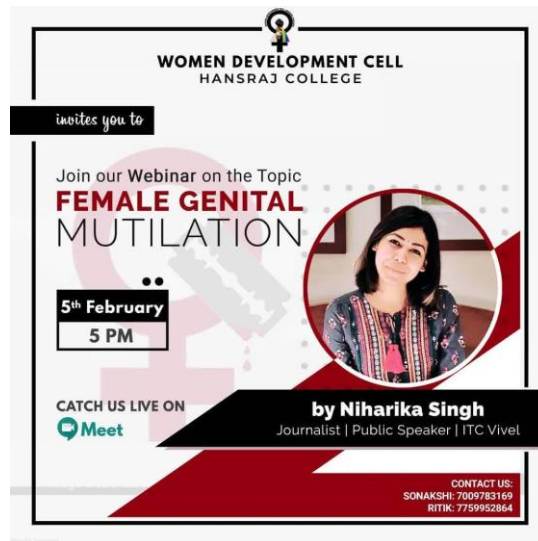

**Intersectionality important to social justice(WDC):** Vandita Morarka, founder of one future collective organisation and also the speaker of the webinar explained how Intersectionality is an analytical tool for studying, understanding and responding to the ways in which gender intersects with other identities and how these intersections contribute to unique experiences of oppression and privilege. He also mentioned that it is an useful strategy for linking the grounds of discrimination (e.g. race, gender, etc.) to the social, economic, political and legal environment that contributes to discrimination and structures experiences of oppression and privilege. More than 100 people joined the webinar and their questions were answered by the speaker at the end of the webinar.

**Female genital mutilation(WDC):** Sonica Aron, the founder of managing partner of marching sheep and also the speaker of the webinar made us aware about the four types of FGM/C, why it is performed, who performs the procedure and the ages at which most girls are cut. Also described what is meant by “vacation cutting.” Told us about the laws that apply; know when reporting is mandatory and where and when to report; know the penalties for FGM/C and vacation cutting More than 100

people joined the webinar and also interacted and asked questions from the speaker at the end of the webinar.

### Project Manas ;

'Project Manas' is an initiative to spread awareness about mental health continuum and break taboos associated with mental health. The project managed to talk about some issues that are considered to be a stigma to the society such as various mental health syndromes and phobias. The project also focussed on the impact of covid-19 on mental health and suggested some healthy ways to cope with the stress.
